10.	<p>Dear Sir,</p> <p>I am Krishnamoorthy Narayanan, student of Shastri Second Year, doing via Mukta Swadhyaya Peetham Sringeri Campus. This is my experience with Mukta Swadhyaya Peetham for the past 4 years. I got Enrolled in Shastri Bridge Course in the year 2016. It was a turning point in my life. It was my first step to Sanskrit Learning. I was a new beginner in sanskrit learning and I was very weak in Sanskrit. I had a fear whether I would learn Sanskrit or not, and whether in my life i would speak Sanskrit because I come from a family who are very much not familiar with the language but Mukta SwadhyayaPeetham helped me. The</p> <p>Prathama Deeksha and dweetyadeeksha books very useful. It helped me improve my Sanskrit Speaking and reading and writing skills. My mentor was Shri. Venkatesh Moorthy Sir,(co-ordinator Sringeri Campus), who instilled confidence in me and helped me improve my Sanskrit knowledge. Mukta Swadhyaya Peetham books have been very helpful to me. The books of MSP was only the sole reason due to which my Sanskrit quality (reading, writing and also pronunciation quality) increased. The Knowledge which i got from MSP books has helped me a lot. Now fromthe beginning I have improved a lot. Books are the best. It is very Easy to understand for a layman to understand. The contact classes arranged were the best. It really helped me a lot. The professors were very patient and calm, and taught me marviusly. Now I have enrolled for Shastri 2nd year course, and now I Live in Sringeri mainly for studying. Previously I used to live in Bangalore, and i faced a lot of problems, because there were only few teachers who knew Sanskrit. But after coming to Sringeri, I have better accessibility to meet the professors and interact with the professors. I recommend, if any one wants to study Sanskrit, then take a course provided by MSP. They are very helpful. MSP is the best distance learning programme for learning Sanskrit. It is the best and will always remain the best. It lets me allow to study by my own pace. I can concentrate more on my studies as the exams are held on term-end basis. I only suggest that for Jyothisham please make the study material short. Mainly Keshaveejatakapaddthi (Shastri 2nd year). It is a bit lengthy. ;</p> <p>Please try to reduce the size of the course, or pls arrange some audio or video classes.</p> <p>Thanking you</p> <p>Your's Sincerely Krishnamoorthy N</p>
